5. Click on skip.

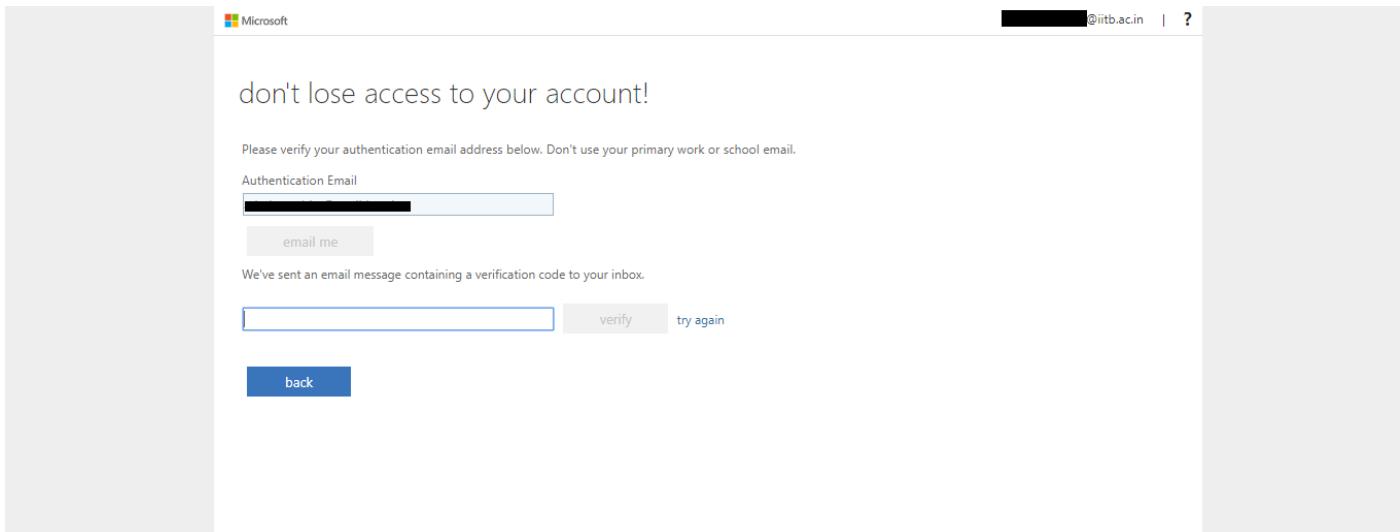

6. Click on Next.

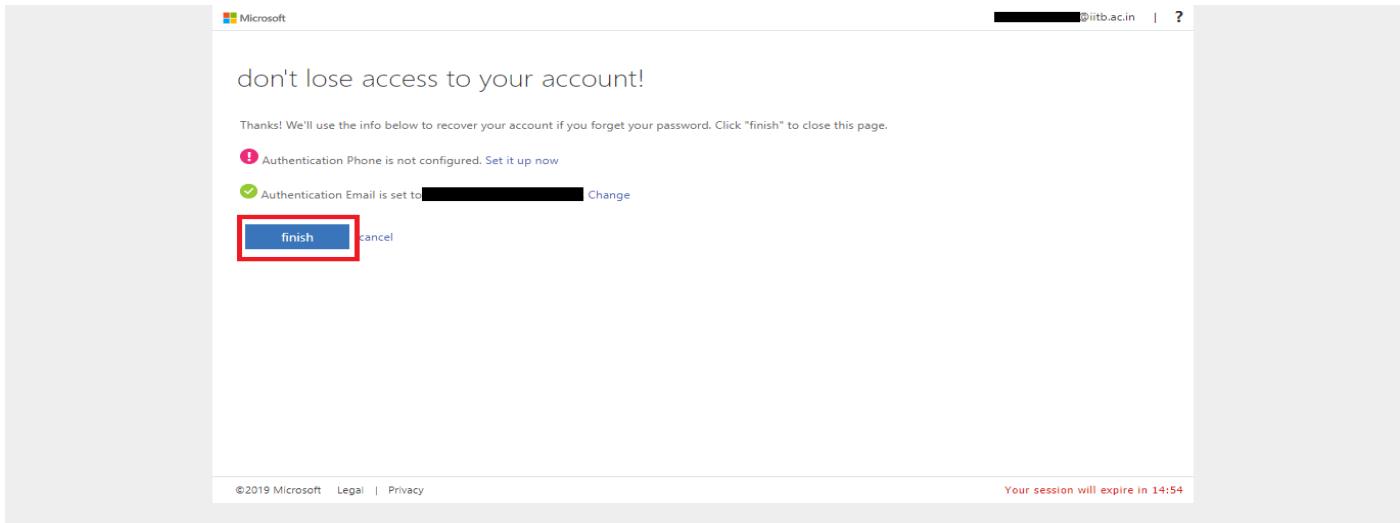

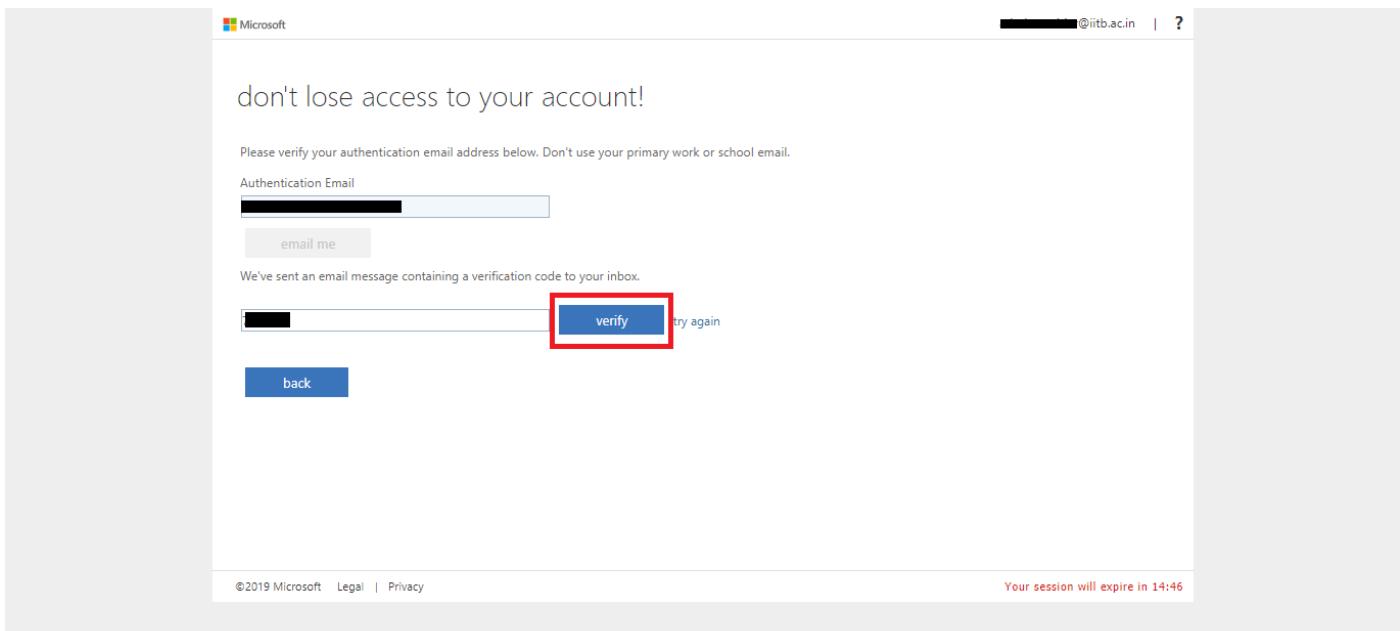

7. Enter one of the security options.

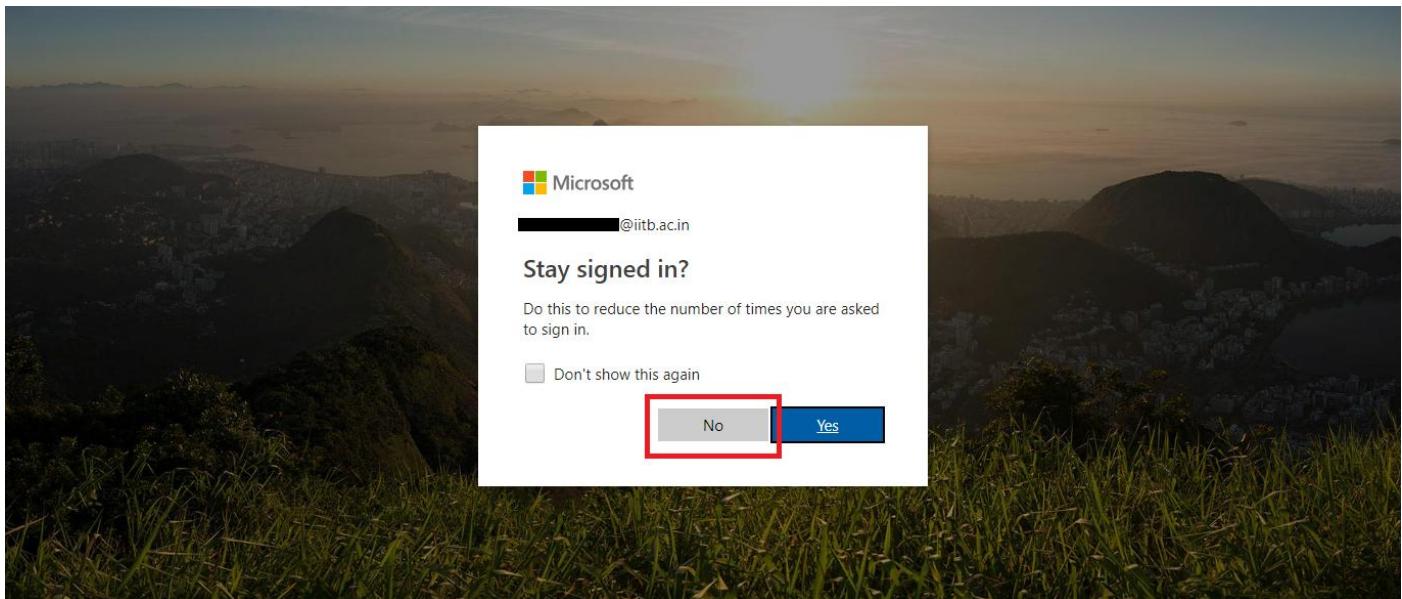

8. Enter alternate email and click on email me.

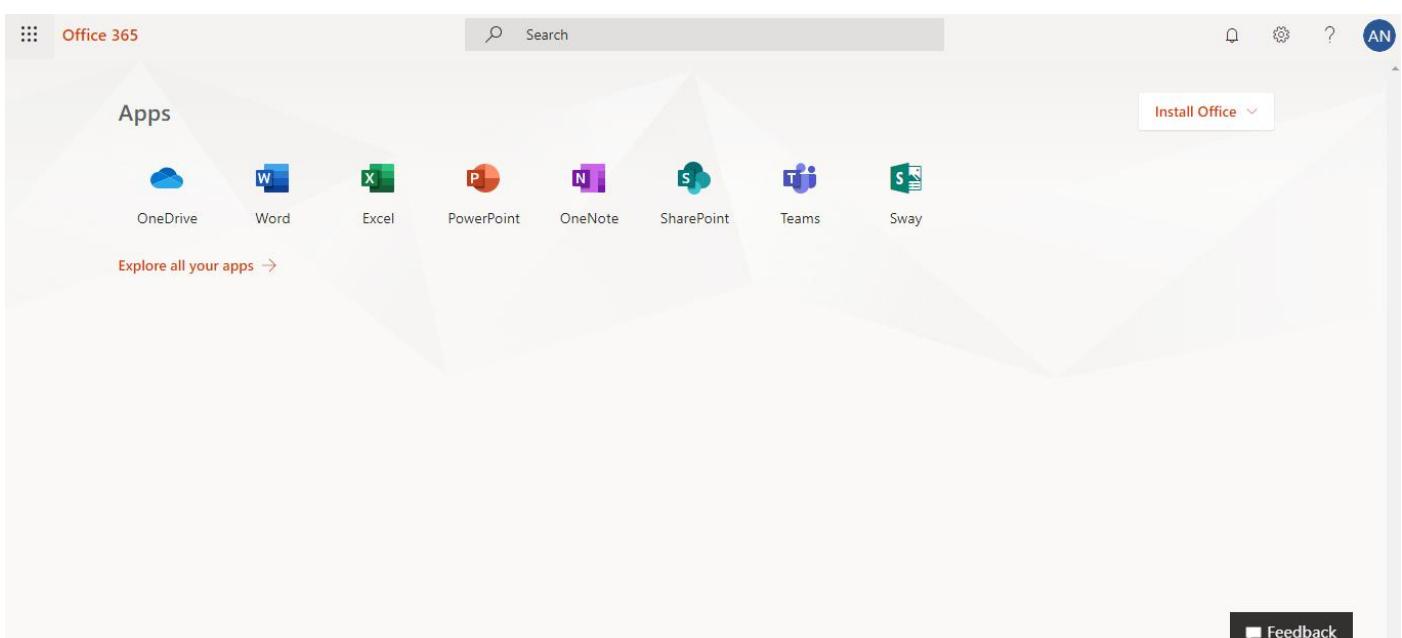

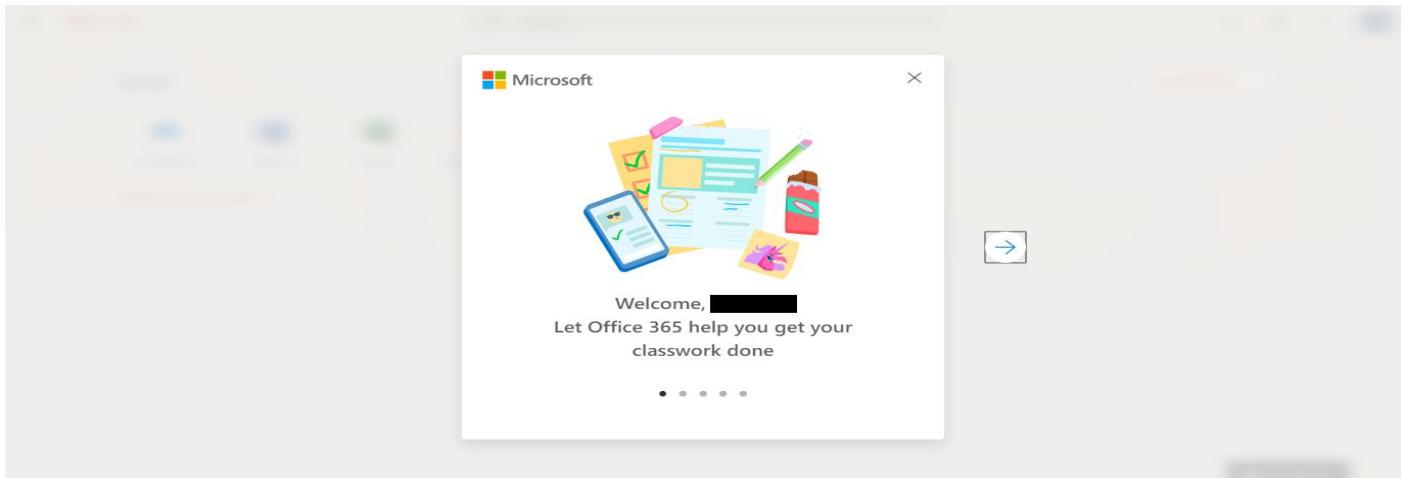

9. Enter the verification code received on alternate email. Click on verify. And then Finish.

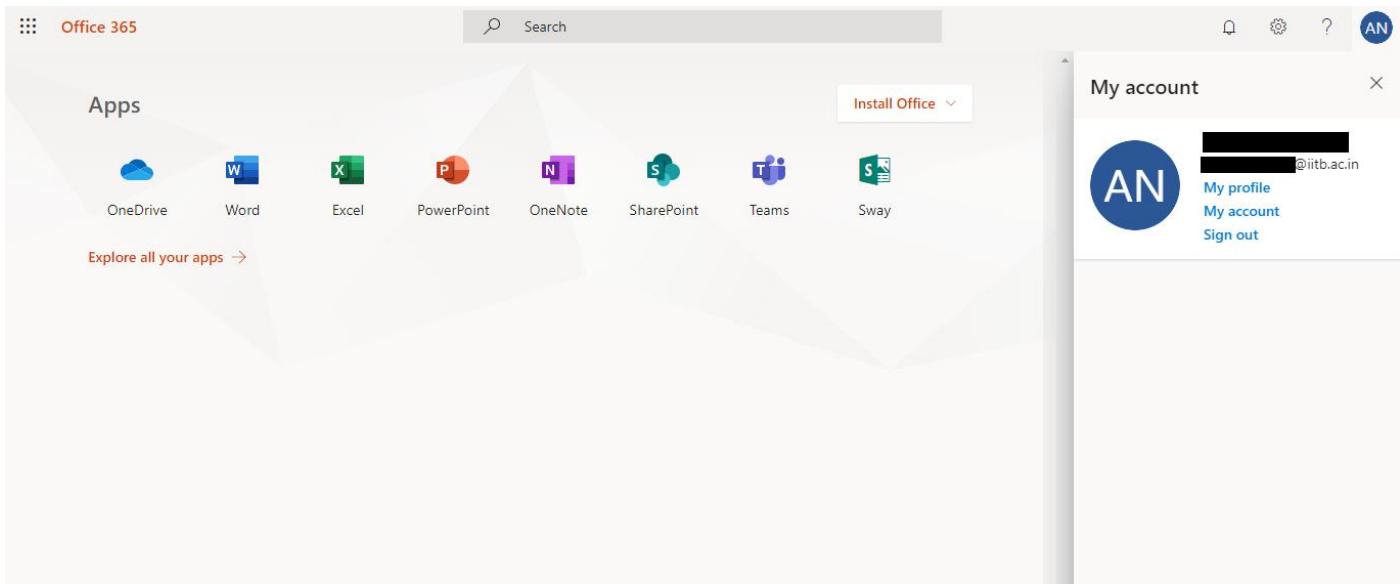

10. Click on No.

11. Close the pop-up and your account is created.

12. Sign-out from the portal and go to Computer Center Website (<https://www.cc.iitb.ac.in>)

13. Navigate to CC Services -> Software -> Microsoft Products.

A screenshot of the Computer Center website of the Indian Institute of Technology Bombay. The top navigation bar includes links for 'Home', 'About Us', 'Computer Center Team', 'Rate Contract', and a search bar. Below this is a banner with the text 'Walk in to our Center' and 'If something technical is troubling you'. The main content area is divided into four blue boxes: 'Quick Links' (with links to CC Room Booking Portal, Webmail, GPO, BigHome, Problem Reporting, CAMP, HPC Spacetime, Mailing List, CC Old Website, and Phishing), 'Updates' (with a message about the Video Conference Room being available for booking), 'Problem Reporting' (with links for Before Reporting a Problem, Hostel Problems, Non Hostel Problems, and Report Problem by Email), and 'Helpline Number' (with the number 2677 (Ext), 9:30 AM to 5:30 PM, Mon-Fri, Computer Center Building G11, Ground Floor). Below this is a navigation bar with links for 'Getting Started', 'CC Services' (which is highlighted with a red box), 'Network', 'Monitoring', 'IP Allocation', 'Policies', and 'How To's'. The 'CC Services' link is also highlighted with a red box. The page then shows a 'Software' section with a 'Software' link (highlighted with a red box) and a 'Microsoft Products' link (also highlighted with a red box). Other links in this section include 'Technical Softwares Provided by Computer Center', 'AVG Antivirus for Faculty & Staff', and 'AVG Antivirus IITB Students'. On the left side, there's a sidebar with links for Home, Software, HPC Facilities, Bits Lab & Bytes Lab, Video Conference Room Booking, Accessing IITB from Outside, FTP Server, LDAP, Guest Account Creation, Home Account Creation, Mail Facilities, Big-Home Storage Facility, and Netmon.

14. Click on Microsoft Azure for Education

Windows 10 Education N, Version 1809 (Updated Sept 2018)

For this multi-edition Consumer media, use a product key specific to the edition in the list you want to activate. From the desktop, select the Start button > Settings > Update & Security > Activation. Select Change product key and enter your product key. If the key is valid, you'll be asked to confirm the edition change, and Windows then performs it for you. Windows 10 Professional, version 1709 or newer, will need to be installed before using the Windows 10 Pro for Workstations product key to activate the edition. Both Windows 10 Professional and Windows 10 Pro for Workstations product keys will activate Windows 10 Professional, version 1709 or newer media.
